Mr. Patrick E. Haggerty, President
Texas Instruments, Inc.
P.O.Box 5474
Dallas, Texas

Dear Pat:

This is a simple note of appreciation for a real extraordinary day--the day we spent at Texas Instruments in Dallas. Seldom have I been so interested and encouraged by what I saw. It is clear that much of what I saw has both an explicit and implicit impact on our business.

STATINTL Sincerely

Albert D. Wheelon
Deputy Director
